# FLOORS AS GOOD AS NEW

Are your floors looking tired and lacklustre? Good news is, if they're Marmoleum or Polyflor, there's no need to replace them. Here are **five reasons** why refinishing retail and commercial floors is the right way to go.

## COST EFFECTIVE

# 90%

saving on costs vs. new floors

## GOOD FOR THE ENVIRONMENT

# 92%

reduction in carbon footprint versus replacing floors

## REDUCES PLASTIC WASTE

Instead of ripping up floors and discarding them, we extend their life

## ECO-FRIENDLY

Uses up to **90%** less resources

## IMPROVES PERCEPTIONS OF HYGIENE

Shiny floors just look cleaner

## EXTENDS FLOOR LIFE

We're yet to find a floor that's too tired to refinish

# 15

## 15 TIMES

The record number of times we've refinished the same floor... so far

## NO DOWNTIME

Our teams work through the night so you don't lose trading hours

## LOOKS GOOD AS NEW!

Removes ugly stains and foot traffic grubbiness; reduces the appearance of scratches

Halcyon refinishes some 2.8 million square feet of flooring each year. Our team of specialist refinishing operatives can work through the night to ensure there's no disruption to your business. As an essential-services company we're able to work through all lockdowns.
